INFORMATION DISCLOSURE STATEMENT

Sir:

The Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached Patent and Trademark Office form PTO/SB/08a. Pursuant to 37 C.F.R. 1.98(a)(2)(ii), copies of cited U.S. patents are not included, but will be provided upon request. Copies of 6 foreign references are enclosed herewith.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO/SB/08a is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

Applicant Notes that there is one non-English reference, FR2434070. Included with that reference in the first two pages is a partial English translation, providing an abstract, description and function. FR 2434070 was cited in a foreign patent office and particular attention was drawn to the English abstract and Figure 2.

It is believed that this submission does not require the payment of a fee. If this is not correct, please charge any required fee to deposit account no. 07-1969.

Respectfully submitted,
